

think will take care of some of these things and, perhaps, in time some other adjustments can be made. In the end, it is for families to make the decision to work together and conclude how best to handle this information exchange and that is the goal here, having families deciding what they want to do together, and this does give them options they now don't have. So I do commend the bill and urge its advancement.

PRESIDENT: Senator Conway, did you wish to close on your motion to advance? Did you wish to close on your motion to advance?

SENATOR CONWAY: Mr. President and members, as I say, a lot of work has gone into it. I think over the three years that I have worked on it we have ironed out elements of concern with agencies and individuals that have had concerns, and at this point, I think it is ready to move forward so that will be my closing and I hope the body will advance the bill to E & R Initial.

PRESIDENT: You have heard the closing. The question is the advancement of LB 372 to E & R Initial. All those in favor vote aye, opposed nay. It looks like we are going to have to have the cooperation of nearly everyone here if we are going to advance the bill. If you care to vote, please do so. Thank you. Record, Mr. Clerk, please.

CLERK: 25 ayes, 0 nays, Mr. President, on the advancement of 372.

PRESIDENT: LB 372 is advanced. Mr. Clerk, do you have things to put into the record?

CLERK: Do you want to try and move the A bill?

PRESIDENT: Oh, yeah, we had better handle the A bill. I am sorry. Mr. Clerk, on the A bill.

CLERK: Mr. President, LB 372A offered by Senator Conway. (Read title.)

PRESIDENT: Senator Conway, please.

SENATOR CONWAY: Mr. President and members, there is an A bill to go along with this. I believe the Department of Social Ser...or the Bureau of Vital Statistics will need a new filing
